PROFESSIONAL EXPERIENCE

Customer Service Representative

Winston Benefits | Remote | October 2025 – November 2025

- Provided customer support during open enrollment by answering benefits-related inquiries and explaining plan options, eligibility, and enrollment procedures.

- Guided more than 100 enrollment processes and assisted customers with completing required enrollment steps.
- Managed approximately 50–100 daily customer calls while maintaining accurate information, professionalism, and customer satisfaction.

Education and Program Administrator
Association of the United States Army (AUSA) | Washington, DC | October 2025

- Assisted more than 50 members and visitors with organizational programs, educational information, and available resources.
- Responded to inquiries, communicated program procedures, and provided accurate information to members of the public.
- Distributed informational materials and program resources to support outreach and member engagement.

Health Information Technician
Precision Wellness | Washington, DC | September 2023 – April 2024

- Supported the implementation of Amazon WorkSpaces to improve access to digital resources and support hybrid business operations.
- Developed and organized a web-based health information database containing more than 100 records.
- Provided technical input on biometric integration and mobile application database functionality to improve access to health information.

Administrative Coordinator | Administrative Assistant | Program Specialist
National League for Nursing | Washington, DC | January 2021 – February 2023

- Managed and updated member contact information and survey responses in organizational databases.
- Maintained approximately 60–100 records daily, four days per week, while ensuring data accuracy and completeness.
- Processed and organized survey information for the 2020–2022 NCLEX HBCU initiatives, supporting documentation, recordkeeping, and reporting.
- Provided administrative and member support by coordinating documentation and maintaining electronic records.

Accounting Clerk
National Postal Mail Handlers Union | Washington, DC | December 2021

- Organized and filed accounts payable, accounts receivable, balance statements, and union dues records.
- Sorted financial documents alphabetically to support organized filing systems and efficient document retrieval.

Tier 1 Help Desk Technician
DeVry University | Arlington, VA | October 2010 – December 2012

- Provided Tier 1 technical support to end users in a higher education environment, assisting with application issues, account access, and technical requests.
- Prioritized and tracked approximately 20–30 daily support incidents based on urgency and user impact.
- Troubleshot technical problems, guided users through resolution steps, and escalated complex issues to Tier 2 support when necessary.
- Reduced Tier 2 escalations by an estimated 25% through effective troubleshooting and first-contact resolution.

Customer Service Representative
George Washington University | Washington, DC | July 2005 – March 2020

- Assisted approximately 50–70 customers daily in a university recreation environment, responding to inquiries and providing equipment and towel services.
- Explained policies, procedures, programs, and scheduling requirements to students, faculty, staff, and community members.
- Managed equipment distribution, facility reservations, and scheduling activities using ACTIVE Net POS.
- Maintained accurate records, resolved routine service concerns, and supported daily facility operations.

EDUCATION

Keller Graduate School of Management
Graduate Certificate in Cybersecurity & Information Assurance | Expected February 2027
Keller Graduate School of Management
Master of Science in Information Systems Management | Graduated October 2019
