PROFESSIONAL EXPERIENCE

Customer Service Representative

Winston Benefits | Remote | October 2025 – November 2025

- Supported daily open enrollment operations by responding to customer inquiries, providing benefits information, and addressing enrollment-related questions.
- Guided more than 50 customers through enrollment procedures, explaining plan options, eligibility requirements, and required documentation.
- Processed enrollment-related requests and maintained 100% accuracy when providing information and assisting with enrollment activities.

Education and Program Administrator

Association of the United States Army (AUSA) | Washington, DC | October 2025

- Supported organizational outreach activities at a high-volume expo, assisting more than 50 members and visitors.
- Organized and distributed informational materials and program resources to support event operations and member engagement.
- Responded to visitor inquiries, provided program information, and helped attendees navigate organizational resources.

Health Information Technician

Precision Wellness | Washington, DC | September 2023 – April 2024

- Supported the implementation of Amazon WorkSpaces, a cloud-based platform, to improve workplace resources and support hybrid operations.
- Developed and maintained a web-based health information database containing more than 100 records, improving information organization and accessibility.
- Assisted with biometric integration and mobile application database functionality to support accurate access to health information.

Administrative Assistant / Program Specialist / Administrative Coordinator

National League for Nursing | Washington, DC | January 2021 – February 2023

- Managed and updated member contact information in a database supporting the organization's 2020–2022 surveys.
- Maintained approximately 60–100 records daily, four days per week, ensuring accuracy in data entry, recordkeeping, and reporting activities.

Customer Service Representative

George Washington University | Washington, DC | July 2005 – March 2020

- Supported daily recreational facility operations by assisting approximately 50–70 individuals with equipment distribution, towel services, and general inquiries.
- Maintained facility reservations and scheduling records to support organized daily operations.
- Responded to customer requests, addressed routine service concerns, and provided information about university programs and services.
- Assisted with promoting university programs, marketing initiatives, and special events to increase awareness and participation among students, faculty, and community members.
